## About

Located in downtown Irving in the heart of the historic district, Big State Drugs was established in 1948. Featuring a grill and old fashioned soda fountain. Big State Drugs is a popular attraction celebrating its 50th anniversary in 1998. Today Big State Drugs is widely respected as one of only two fully operational soda fountains in Dallas county.

Historically, Big State Drugs is located on what was originally developed by Charles Stovall for his Banner Mercantile store, a large frame building at the time. Lucas, a former employee turned owner moved the frame store to the corner of First and Main and then built the brick building where Big State currently resides.
